

What does a healthy Simple Church look like?

- It has rich worship, adoring God for who He is and what He has done, exploring all the senses and creative expressions God has endowed us with, encouraging 'whole of life' worship.
- There is deep fellowship, with generous caring, intercession, encouraging and challenging people in their gifts & faith, 'spurring one another on' (Hebrews 10:24).
- Learning and growing as disciples of Jesus, in good stewardship, hearing his voice, seeing him at work and joining in by his Spirit. (John 10:14,15)
- Touching an ever-increasing number of people outside your gathering with prayer, loving words & actions and the truths of our loving God through Jesus.
- Being hospitable to all people, baptising new believers and adding other gatherings as God leads.
